AUTOMATION

Simplify and automate your processes:

- ✓ Notifications
- ✓ Super payments
- ✓ Terminations and leave calculations
- ✓ Award interpretation
- ✓ Roster and calculations

KeyPay offers an extensive list of prebuilt modern awards, automating pay condition calculations so you'll always be compliant in payroll.

Award-costed rosters and timesheets seamlessly integrate with payroll and streamline the roster to pay run process.

SIMPLE CLOUD PAYROLL

Your Payroll is a premium payroll and workforce management tool that allows employers and payroll professions to manage the end-to-end process of employment - providing tools that save time, ensure compliance, empower employees and show real-time costs.

SEAMLESS END TO END PROCESS

Automate the delivery of data required for payroll in one system. Allow managers, employees and payroll staff to connect easily from any device.

- ✓ Easily build rosters and communicate with your team
- ✓ Seamless timesheet entry to manager approval
- ✓ Allow employees to manage data using our mobile app

EMPLOYEE SELF SERVICE AND OUR APPS

Give employees full access and ownership of their data via our online portal and mobile app, WorkZone. Say goodbye to manually processing leave requests or managing employee details.

EMPLOYEE SELF-SERVICE

WORKZONE

CLOCK ME IN

WORKZONE

Over 40,000 employees are already using the WorkZone app. WorkZone allows employees to manage their personal information directly from their mobile.

Employees can:

- ✓ Log timesheets
- ✓ Clock in and out of shifts
- ✓ Accept/decline shifts
- ✓ View bank information
- ✓ Submit expenses
- ✓ Submit leave request and view leave balance
- ✓ Access payslips and documents
- ✓ View rosters
